Leírás:

Under 50,000 euros we have this 4 bedroom townhouse to renovate with a generous 152m² plot, situated in the popular, historical city of Alcala la Real in the south of Jaen province in Andalusia, Spain. You enter the property into a hallway which leads ahead to a ground floor shower room then a few steps take you out into the covered and open patio spaces, here you have a laundry and utility area along with storage outbuildings and a summer kitchen with an open fireplace. Back in the hallway steps lead to a lower ground floor bedroom or storage room. There are also a few steps that lead up first to a double bedroom and then to a small fitted kitchen off which is a lounge / dining room. Separate stairs lead first to a double bedroom, on the left and continue up into a further double bedroom off which is a wash room and then there is access out onto a covered terrace with wonderful views over the city and up to the Castle. Being sold part furnished with town water and electricity connected, this property with a good size town plot, would make for an ideal DIY project investment.
