Leírás:

Located just 45 minutes from Limoges, discover this beautiful property built in 1852.

Set in a peaceful and green environment, this home has retained all its original character: solid wood built-in cupboards, traditional fireplace, and more.

On the ground floor, the house features an entrance hall leading to a modern kitchen, a living room with a fireplace, a bedroom with an en-suite shower room, and two additional rooms that can be converted into bedrooms, offices, or workshops.

Upstairs, you'll find a charming little library area—an inviting, relaxing space reminiscent of a boudoir. Four more rooms are available to be converted according to your needs (additional bedrooms, office, bathroom, etc.). A second toilet is already installed.

A spacious attic, insulated at floor level, offers even more conversion potential. A large vaulted cellar completes the property.

The current ground-floor layout allows for single-level living, and the house is ready to move into.

Outside, the property includes an extensive range of outbuildings: a barn, former stables, a workshop, a boiler room, and a small house to be fully renovated.

With 465 m² of outbuildings, this is an ideal setup for vehicle collections, for example.

The adjoining tree-lined land ensures total privacy—no overlooking neighbors.

Features include oil-fired central heating, double-glazed wooden windows, a functional fireplace with a wood-burning stove, and a private septic system.

A nursery and the village primary school are just steps away, and all amenities are within 10 minutes by car in Bourgneuf.

A property full of soul and history, not to be missed.
