Leírás:

Tucked away in a truly exceptional natural setting of woodland and open countryside, this elegant villa of approximately 130 m² offers peace, privacy, and stunning light throughout. Just 10 minutes from local shops and the magnificent Côte Sauvage, it's a true haven for lovers of nature and the sea. On the ground floor, a spacious entrance leads into a bright and airy living and dining area, bathed in natural light thanks to large south-facing doors opening onto a terrace with breathtaking views of the surrounding trees and countryside. You'll also find a traditional separate kitchen, a utility room, two bedrooms, and a stylish, recently renovated shower room in timeless neutral tones. Upstairs, two further bedrooms complete the sleeping area, including one with a private washbasin. A beautiful travertine staircase adds elegance to the home, while a practical double garage provides ample storage and parking space. Bonus: There is the option to purchase adjoining plots, bringing the total land size to 7,900 m² ? a perfect opportunity for those dreaming of space and green, nature-focused projects.
