Leírás:

In Poljana, a place located in the central part of the east coast of the island of Ugljan, for sale is a house with a floor plan of 89 m² which spreads over four floors - basement, high ground floor, first floor, and attic.

On the ground floor, there is a furnished apartment consisting of a hallway, bathroom, one bedroom, kitchen with dining area, and living room.

The rest of the house is unfinished - it is in the roh-bau phase of construction and the future owner can arrange it according to his taste, wishes, and needs.

The house boasts a beautiful view of the sea, Zadar, and the rest of Poljana.

The garden, which covers 670 m², offers numerous landscaping options - from planting Mediterranean vegetation that would fit perfectly into the surroundings to the construction of a swimming pool or some additional auxiliary facility.

From the sea and the center of Poljana, this property is about 400 meters away.
