We are selling a comfortable two-storey flat situated in a beautiful location in Supetar. It is located on the second floor of a building without a lift.

The 128m² living area is divided into a lower and an upper floor. The lower floor consists of a kitchen with a dining room and a living room, a bedroom (with the possibility of easily dividing it into two separate rooms), a toilet, a storage room, and two south-facing loggias. The upper floor incorporates two bedrooms, a bathroom, and two south-facing balconies.

All rooms offer a wonderful view of the sea.

The flat is sold equipped and furnished.

The property also includes a 20m² garage.

More about the location: Brac is the largest island in the region of Dalmatia and the third biggest island from the Adriatic coast. It is located between Split and Hvar and it is very well connected with the mainland. The most common means of transport to reach the island is the ferry, catamaran, private boats and UBER boats. Brac is one of the sunniest islands with 2600 hours of sun in a year. The visitors are glad to visit the island for its wonderful beaches, unique nature and numerous monuments. In addition, a few authentic events and sport activities are organized throughout the whole year. Therefore, it is ideal for the summer holidays and for living during off season.
