In the idyllic village of Muline on the island of Ugljan – located in the north-western part of the island – this building plot with an ideal surface area of 702 m² is situated.

At the entrance, the land has a width of 8 m, and after 12 m it widens to dimensions of 32 m × 19 m. It is located in a beautiful hamlet of Muline, surrounded by several family houses and evergreen Mediterranean nature.

The property is 600 metres from the sea, approximately 500 m from hospitality facilities, and about 150 m from a grocery store. The centre of the village of Ugljan is approximately 3 km away. From the first floor of the building, there will be a view of the sea in the direction of the sunset, which is beautiful and unmissable in this part of the Zadar archipelago.

The process of obtaining a building permit for the construction of a family house with one residential unit and a swimming pool is currently underway for this plot.
