Leírás:

Zaton – Luxury Villa with 5 Units, Pool, and Investment Potential Located in a quiet part of Zaton, near Nin and only 13 km from Zadar, this modern villa from 2025 combines private luxury with strong investment potential. Set on a 1,350 m² plot with approximately 450 m² of net living space, it is designed as a functional unit with multiple residential spaces. The complex consists of two architecturally connected buildings with a total of two comfortable apartments and three luxury studio units, plus an additional shared space with a kitchen and bar, ideal for a boutique aparthotel or bed & breakfast concept. A special feature is the basement of around 100 m² with a sauna, prepared for a wellness area, gym, or additional amenities, significantly enhancing the potential for luxury rentals. The landscaped grounds feature a 12 x 3 m pool, surrounded by relaxation areas and complete privacy. The sea is approximately 1,200 meters away. The villa is equipped with a heat pump, air conditioning, and solar panels, and has energy class A+, with full documentation and occupancy permit. The property already generates income from tourist rentals, with further growth potential through full commercialization. A private garage, plus additional parking spaces within the fenced grounds, completes the sense of exclusivity, providing full autonomy, discretion, and comfort for owners and guests alike. This property offers a ready-to-go concept – whether as a luxury private villa, boutique tourism project, or a combination of personal use and stable rental income.
