TWO-BEDROOM APARTMENT NEAR THE SEA

In a quiet location, we are selling an apartment on the top floor of a neat building with a total of 8 apartments.

The apartment consists of a bathroom, two bedrooms, a spacious living room connected to the kitchen and dining room. The floor plan of the apartment is 70m², but due to the slope, 50m² is registered.

The apartment is extremely bright and tidy, and the living room offers a beautiful view of the sea and the city. The apartment is air-conditioned and is sold fully furnished.

It is 270m as the crow flies from the sea, and there is a parking lot for tenants at the back of the building.

A very neat and comfortable apartment, ideal for your new summer residence.

It is not possible to purchase real estate on credit.
