Leírás:

Nestled in an exclusive residential neighborhood, this villa blends Art Deco elegance with neoclassical lines. It captivates with its generous proportions and high-end finishes.

A spacious, light-filled entrance hall features a striking Art Deco staircase in black wrought iron with geometric motifs, bathed in natural light throughout the vertical circulation.

Set on a landscaped 2,247 m² plot, the property offers 419 m² of living space, comprising six suites with bathrooms and walk-in closets, including a master suite with a terrace and sea view, two upstairs suites with balconies, and three garden-level suites. A suspended rooftop with a black metal veranda, equipped with a kitchen and retractable sail shades, is perfect for evenings overlooking the sea.

The reception areas include living rooms, a dining room, an office, and a high-end kitchen.

Outdoors: heated swimming pool, terraces, pool house, Mediterranean gardens, and a wellness area featuring a hammam, sauna, cold plunge, and spa. Three garages, secure parking spaces, and a security system complete this exceptional setting.

An extraordinary villa combining privacy, sophistication, and top-of-the-line amenities, just minutes from Monaco.
