Leírás:

Immerse yourself in the captivating world of this majestic watermill, a 19th century architectural gem, elegantly renovated respecting its heritage features and character. With 400 m² of living space bathed in light and generously proportioned offers a unique living environment, combining luxury and conviviality all surrounded by unspoiled nature.

An extraordinary living space, upon entering you will be enchanted by the double stone staircase leading to a spectacular reception area:

A 96m² living/dining room with an open kitchen ideal for dinner-parties or large family gatherings.

Nearby is a games/relaxation room a bedroom with a shower room, a sauna and a WC.

Upstairs there are four bedrooms (including two master suites with their own en-suites) and a large family bathroom offering absolute comfort.

There are endless outbuildings on the property including:

An XXL 230m² garage on the ground floor, perfect for collectors or mechanical enthusiasts.

A 100m² mezzanine and a convertible 200m² attic on the first and second floors to be customised to your needs, an office, workshop, gym or creative space.

There is also a 98m² independent gîte (guest house) with a living room, equipped kitchen, two bedrooms (including an upstairs suite) a bathroom and private terrace offering breathtaking views of the parkland.

A truly peaceful haven by the river, the 22,000m² landscaped garden borders the Gélise river making it a true oasis.

There is also an above ground swimming pool on a concrete base with a pergola and a boat mooring for fishing.

An idyllic setting for relaxing moments and entertaining.

This mill combining its historic charm, generous spaces and development potential is a rare find for lovers of exceptional properties.

Ideal for a primary residence, a family home, or a high end tourism property.

Visit without delay, you're guaranteed to fall in love!

Income:

6Kw of self consumption photovoltaic panels.

A solar water heater.

The mill generated approximately 10,000 Euros income in 2025.
