Leírás:

Charming villa, completely renovated with high-end amenities. Ideally located between the Landes beaches, large lakes, and forest, it offers an exceptional quality of life. The refined design beautifully showcases noble materials such as travertine and exotic wood. The spacious, light-filled living area of 78 m² complements a layout of four bedrooms, including three master suites on the ground floor, as well as a versatile 32 m² space upstairs. The exterior is designed for relaxation, featuring a magnificent infinity pool and two monumental terraces totaling 160 m². The landscaped grounds of 2,100 m² also include a 70 m² outbuilding with an authentic bread oven. Floor plans, photos, and a virtual tour are available upon request.
