Leírás:

Located in a quiet environment, within a cul-de-sac residential area, this house built in 2002 offers a pleasant living setting, close to shops and amenities.

From the entrance, you will discover a bright living space of just over 30 m² with an open-plan kitchen, fitted and equipped, whose elements were renewed in 2020. The layout is functional and welcoming, perfectly suited to family life.

The house features three bedrooms with built-in storage, a bathroom fully renovated in 2023, as well as separate toilets, also refurbished. A utility room used as a laundry/pantry and an adjoining garage with an electric door complete the property.

In terms of comfort, no work is required: the house is perfectly maintained and ready to move into. It notably benefits from a heat pump heating system.

Outside, you will enjoy a fully enclosed and landscaped 899 m² plot, as well as a shell pool, ideal for sunny days.

A practical, modern, and move-in ready home, ideal for a hassle-free project.
