Leírás:

Situated in a lively town with local shops, and close to the hospital and motorway access, this plot of approximately 1,285 sqm is ideal for building your dream home.

The land is not serviced, however all utility networks (water, electricity, etc.) run directly in front of the property, making connections straightforward.

Set outside of a subdivision, it offers greater freedom, and is not tied to any specific builder, giving you full flexibility to design and construct according to your preferences.
