Leírás:

In the center of Rome, a step away from the famous Spanish Steps and from the city's main sights, this splendid luxury apartment is for sale. The property, located on the second floor of an elegant building with a lift, has an internal surface of about 200 square meters and is spread over one level. Alongside the original elements of the seventeenth-century building, such as the finely decorated high coffered wooden ceilings, precious finishes and modern materials were introduced at the time of renovation, as well as contemporary design furnishings of great taste and refinement, which best enhance the exclusive context. and that make every space welcoming. Warm parquet floors characterize both the living and sleeping areas, consisting of five large and comfortable bedrooms, each with an en-suite bathroom. Ref. 5676
