Leírás:	

Vodice, modern two-bedroom apartment with a total area of 78.49 m², located on the first floor of a newly built residential building. The building has been completed and is currently awaiting the issuance of the occupancy permit. The apartment is south-facing, ensuring plenty of natural light throughout the day. The apartment consists of an entrance hallway, two bedrooms, a bathroom, a kitchen with dining area and an open-plan living room, with access to a covered terrace that provides a pleasant space for relaxation. The property is equipped with quality features, including a video intercom, security and fire-resistant entrance doors, and air conditioning units in all rooms. Electric underfloor heating is installed in all tiled areas, while laminate flooring is laid in the bedrooms, providing additional warmth and comfort. The apartment is also equipped with Skylink internet. A particular advantage of this property is that two parking spaces are included in the price. This apartment is an ideal choice for living or as an investment for tourist rental, thanks to its attractive location and quality construction. For more information, feel free to contact us...
