Leírás:

Vodice, modern duplex apartment under construction, located within a semi-detached house consisting of only two residential units. This property represents one half of the house and offers a functional layout, privacy and a high level of comfort. Completion of construction is scheduled for June 2026. The apartment is spread over two levels, ground floor and first floor, which also represent the total number of floors of the building. The property features a beautiful sea view and includes two outdoor parking spaces. The ground floor comprises an entrance area, a bathroom, a kitchen with dining area, and a spacious living room with access to a covered terrace. From the living area, there is direct access to the swimming pool and yard, creating a seamless connection between indoor and outdoor living. Additional storage space is located under the staircase. An internal staircase leads to the upper floor, where there are three bedrooms and a bathroom. One of the bedrooms has access to a covered terrace, providing an additional space for relaxation. The property will be equipped with quality features, including air conditioning units in all rooms, an intercom system, security entrance doors, and underfloor heating installed throughout the entire apartment, ensuring maximum comfort all year round. This property represents an excellent choice for family living or as an investment for tourist rental, thanks to its attractive location, sea view and modern design.
