Discover these charming new-build homes in the province of Murcia, where comfort, space and an excellent location come together. These modern properties feature 3 spacious bedrooms and 2 stylish bathrooms, making them ideal both as a permanent residence or a holiday home.

The homes are designed with a focus on light and openness. The bright living area flows seamlessly into a fully fitted modern kitchen, creating a warm and functional living space. Large windows allow plenty of natural light to enter, enhancing the feeling of space.

The master bedroom is a real highlight, featuring an en-suite bathroom and a practical walk-in dressing area. The additional bedrooms are also generously sized and comfortable, perfect for family or guests.
