Set in peaceful surroundings, in the heart of the Entre-deux-Mers countryside, this charming stone house combines authenticity with modern comfort.

Recently and carefully renovated, it has retained all the charm of the stonework whilst offering contemporary amenities. It comprises a modern and functional kitchen, a bright living room featuring a pellet stove, a utility room with direct access to the garden, a shower room and a separate toilet. The sleeping area comprises a master bedroom with en-suite bathroom and two further bedrooms.

Outside, the fully enclosed garden invites you to relax in a peaceful, leafy setting. A large terrace and swimming pool complete this space, ideal for enjoying sunny days.

A 17 m² workshop/garage and a well further enhance the property. An old stone outbuilding, in need of renovation, offers excellent potential for additional living space.

Technical specifications: reversible air conditioning, pellet stove, private sewage system, double-glazed windows, recently insulated roof.
