Leírás:

Come and discover this pretty stone house dating from 1860, located in the commune of Jouhet, less than 10 minutes from Montmorillon and Saint Savin. It offers a calm and pleasant living environment, while benefiting from recent renovations.

With 109 m² of living space over two floors, the ground floor comprises an entrance hall with a study area, a bright living room, a brand-new fitted and equipped kitchen and a shower room with toilet. Upstairs, the landing leads to a large 30 m² bedroom with dressing area and two further bedrooms, one of which also has a dressing area.

To the rear of the house, a courtyard gives access to an outbuilding, while to the front, a terrace and an enclosed garden with trees of around 500 m² extend the living space.

A 25 m² garage, two small roofs and a car port for two vehicles complete the ensemble.

This turnkey home has double-glazed windows and doors, a heat pump installed in 2024 and a water softener installed in the same year.

A healthy, functional home available in February 2026. Virtual tour and layout plans available on request.
