Prime position with direct sea and bay view, luxury apartment on the forth floor, parquet flooring, for sale in Portofino. In the shimmering heart of Portofino, where the kaleidoscopic facades of the Ligurian coast meet the turquoise stillness of the Mediterranean, lies a unique residence available on the market. Occupying a commanding position on the fourth floor of an eminent building, this 133-square-metre apartment transcends the mere concept of a coastal dwelling, offering instead a front-row seat to the most celebrated harbour in the world. The interior narrative is one of luminous sophistication, where a harmonious distribution of space prioritises both the quietude of private retreat and the expansive requirements of high-tier hospitality. The residence is defined by an extraordinary sense of clarity and light, a quality most poetically expressed through three majestic windows that frame the vibrant ballet of the Portofino marina. To gaze from these apertures is to engage in a constant, intimate dialogue with the sea—a vista that transforms the shifting tides and the arrival of elegant yachts into a living tapestry of Italian prestige. Within, the aesthetic is one of understated luxury, featuring meticulously curated finishes and a refined atmosphere that echoes the timeless charm of the Riviera. The layout comprises a spacious living area, a kitchen, complemented by three bedrooms and two bathrooms, each designed with an exacting eye for comfort and functional elegance. Legendary boutiques, world-class gastronomy, and storied cobblestones of the piazzetta await just at walking distance, providing an unparalleled lifestyle where every convenience is matched by a sense of historical exclusivity. Portofino remains a sovereign territory of international desire, and this property, represents a unique moment to secure a foothold where beauty is absolute and privacy is paramount. Far more than an acquisition of square footage; it is an entry into a recognisable and authentic life style, anchored deeply in the enduring heritage of the Italian sun.
