Leírás:

Punta Ala is a hamlet in the Italian municipality of Castiglione della Pescaia, in the province of Grosseto, Tuscany. It is a well-known seaside resort nestled on the northern slopes of the promontory of the same name, in the Grosseto Maremma, and is famous for being a renowned elite seaside destination, known for its top-class sailing (home to the Luna Rossa club), fine sandy beaches, centuries-old pine forests and a luxury marina.

We are offering a wonderful villa comprising two ground-floor apartments, nestled in a pine forest with breathtaking views. The properties are independent but can be easily connected. The first comprises an entrance hall leading into a large living room, a kitchen, a bathroom, a hallway, three double bedrooms overlooking the courtyard, and three bathrooms with windows. The second apartment comprises an entrance hall, a kitchenette, a living-dining room, a double bedroom and a bathroom. The property is completed by an external staircase leading to a large terrace where you can comfortably sunbathe and admire the surrounding hills and the beautiful sea view.
