Leírás:

Urban building plot of 291 sqm, located in Sítio da Adega, in Campanário.

An architectural project for a 2-bedroom house (T2) is already in progress and is offered by the owner (engineering and specialty projects not included).

The land is completely flat, allowing for easy and cost-effective construction. The subsoil is solid rock, which makes this plot particularly suitable for low construction costs.

Situated in a quiet and peaceful area, with excellent access, just 34 minutes by car from the expressway. An ideal opportunity for private housing or investment. - REF: VSM017
