Leírás:

Set in an elevated position in Santa Bárbara de Nexe, this south-facing 4-bedroom villa enjoys far-reaching ocean views across the Algarve hills, with total privacy and a peaceful setting surrounded by mature gardens. Occupying a generous plot of 1,920m², the property combines space, outlook and convenience, just 20 minutes from Faro Airport. With its swimming pool, large terraces and additional buildable plot below the house, this is a rare opportunity in one of the Algarves most sought-after residential areas.

The ground floor is arranged for comfortable day-to-day living, with an open-plan living and dining area opening through large doors onto a terrace facing the ocean. This level also includes a fully fitted kitchen, two bedrooms, two bathrooms and a guest WC, making it ideal for main living on one floor. On the first floor, a self-contained apartment provides flexible accommodation with two bedrooms, one bathroom, a kitchenette and a large private terrace, offering an excellent solution for visiting family, guests or independent living.

Further features include underfloor heating on the ground floor, a borehole, two garages and a utility room on the lower level. Outside, the mature gardens create a private and established setting, while the

pool and terraces make the most of the villas sun exposure and panoramic views. A separate buildable plot of 6,120m², situated below the house, adds significant appeal and opens the door to future development, including the possibility of creating a second villa, subject to the relevant approvals.

This property is an excellent choice for buyers seeking a permanent residence, a spacious family home or a home with added flexibility for guests and multi-generational living. The combination of privacy, sea views, outdoor space and development potential makes it equally attractive as a long-term investment in the central Algarve.

A viewing is highly recommended to fully appreciate the setting, layout and opportunity on offer.

Features and fittings mentioned are subject to agreement and verification between the vendor and the buyer

Energy rating: D
