Leírás:

Discover this new complex of tourist apartments in vibrant Lo Pagán, strategically located just 800 meters from the beach. Thanks to its excellent location, close to the sea and all amenities, this project represents a highly attractive opportunity for investors looking to benefit from the strong rental market in the area.

The apartments are delivered fully turnkey, with a modern design and including furniture, white goods, and air conditioning. This allows you to start renting immediately without any additional investment. Most units feature 1 bedroom and 1 bathroom, ideal for holiday rentals, along with a selection of 2-bedroom apartments to appeal to a wider audience and increase occupancy rates.

The combination of a prime location, ready-to-rent condition, and the growing tourism on the Costa Cálida ensures attractive returns and high occupancy throughout the year. This makes the project an ideal choice for those seeking a hassle-free investment with immediate rental potential.

Each apartment also includes an underground parking space and a private storage room, further enhancing its appeal to tenants.

A smart investment in a highly sought-after location, with everything in place to maximise your rental income.
