New 3 Bed 4 Bath Detached Villa For Sale in Siam Gardens, 2,300,000€

Siam Gardens is a complex of 24 villas located in the heart of southern Tenerife, with all essential services within easy reach.

Its hilltop location, combined with unique architecture and construction, ensures that every villa offers stunning views of the Atlantic Ocean and the neighboring island of La Gomera.

The entrance leads to the middle floor, which features the living room, an open-plan kitchen with an island, two bedrooms, and a guest toilet. Floor-to-ceiling glass sliding doors provide abundant natural light. Right off the living room is the terrace, complete with a private pool and an outdoor shower.

On the same floor, you will find the master bedroom with terrace access, an en-suite bathroom, and a walk-in closet. The second bedroom, also with an en-suite bathroom, features built-in wardrobes and a private terrace.

On the ground floor, there is an additional lounge or multi-purpose space, two more bedrooms, two full

bathrooms, and a laundry room.

The villa is surrounded by green areas with exotic plants and palm trees, perfect for relaxing and enjoying the views. From this villa, you will have access to the best Tenerife has to offer: the fantastic Siam Park water park and the Siam Mall shopping center with a supermarket, both within walking distance. The beach is a 20-minute walk away, Puerto Colon for maritime adventures is a 7-minute drive, the restaurants of La Caleta are 15 minutes away, and Tenerife South Airport is only 16 minutes away.
