A kilometer away, in nearby Juršići, there is a train station that goes to Pula and Rijeka.

Nearby are an equestrian club, an elementary school, a church and a bistro. To buy food and necessities, the nearest shop is in Manjadvorci, 2 km away. To shop in large shopping centers, you will need to reach Pula, 13 km away (15-20 minutes drive), and the same is the distance to the sea and beaches.

A great opportunity, both for investing in a tourist facility and for a comfortable life in a small town with the sounds of birds and crickets and a view of the sea and the beautiful Istrian landscape. Don't miss it!
