Leírás:	

Located in Campo Sobrado, in the municipality of Valongo, this 4 bedroom villa stands out for its contemporary architecture, quiet surroundings and the opportunity to complete an exclusive home, customizing finishes and details to your liking.

Implanted on a plot of approximately 1,800 m², the property has a robust concrete construction and is in an advanced stage of construction. The roof is already completed, as well as the plumbing, electricity and sanitation connection infrastructures. About 70% of the exterior coating in capoto has already been applied, and the balconies are waterproofed. It also has a water hole of about 90 meters, complementing the technical features of this villa designed to provide comfort, privacy and connection to the outdoor space.

Features:

- Typology: T4
- Contemporary architecture villa
- Integral concrete structure
- Land with approximately 1,800 m²
- Construction at an advanced stage
- Roof completed

Plumbing and electrical installations executed
About 70% of the outer coating in hood applied
Sanitation connections made
Waterproofed balconies with mesh
Water borehole about 90 meters
Excellent sun exposure
Reserved and quiet area
Good access to the A42

At a time when much of the structure is already completed, this property offers a rare opportunity to finalize a fully customized premium villa. The combination of construction quality, land size and location makes this property especially attractive for those looking for a differentiating residence or an investment with high potential for appreciation.

Location

Inserted in a quiet residential area of Campo Sobrado, it benefits from a reserved environment and proximity to nature, maintaining quick access to the main roads, namely the A42, which allows efficient connection to Porto and other surrounding areas. A location that combines privacy, space and convenience.
