Location and Surroundings

This apartment is part of a new residential project in the Kodër neighborhood on Mitat Hoxha Street only 100 meters from the Ionian Sea and within a short walk of Saranda's main port. The area has developed quickly in recent years with modern residences, organized roads and all daily services close by.

Unlike the main promenade which gets very busy in summer, this area stays calmer and more residential. It is mostly frequented by families and long-term visitors who value both convenience and peace. Shops, supermarkets and cafés are only a few minutes away on foot, making daily life very practical.
