Fantastic opportunity to purchase a well presented three bedroom, one and a half bathroom townhouse with access to three large communal swimming pools two of which are heated for all year round use, situated in the gated community of Bosque de las Lomas in Villamartin. This fabulous townhouse is within walking distance to an array amenities such as bars, restaurants and supermarkets and is within easy reach of La Zenia Boulevard, Villamartin Plaza, La Fuente Commercial Centre and the beaches of Orihuela Costa.

To the front of the property is a pretty front garden with established plants for greenery with a few steps leading up to a covered terrace and the front door of the property, this covered terrace is a good size and is an ideal space to sit and relax. The front door opens into a bright and spacious open plan living/dining room with a good sized separate kitchen located at the rear, the kitchen is well presented having been updated and there is a door to the rear leading out to a sunny rear private terrace with built in storage. The rear terrace has a gate giving direct access to the communal garden and leads down to the communal pool the closest being heated, the direct access to communal areas means there is lots of outside space to be enjoyed. Next to the kitchen is a ground floor double bedroom which is currently used as a walk in wardrobe and also located on the ground floor is a WC with plenty of space to add a shower if needed.

On the first floor of the property is the family bathroom with bath tub, situated to the front of the townhouse is the spacious master bedroom with built in wardrobes and patio doors leading to a terrace.
