Leírás:

Ithlux Jardim Europa sells a beautiful apartment designed for those who value comfort, practicality and a home ready to live.

With 84 m² very well distributed, this property has been renovated and features cozy and functional environments. There are 3 bedrooms, 1 suite, in addition to a social bathroom, providing comfort for the whole family.

Located on a high floor, the apartment receives pleasant morning sun and has cross ventilation, ensuring naturally lit and well-ventilated environments throughout the day.

One of the great differentials is that all the furniture planned in the kitchen, bedrooms and bathrooms remains in the property, in addition to the panel and hack of the living room, offering practicality and a modern look from the first moment.

The condominium is 16 years old, has two elevators and offers a covered parking space, bringing more convenience and safety in everyday life.

An excellent opportunity for those looking for quality of life, functionality and an apartment ready to move in, all documentation up to date, accepts financing.
