Here we have a fully renovated town house with a very modern finish .

located in the old town this home has been totally transformed and you are now presented with a light bright open plan ground floor that comprises of , a dining area , lounge room with swish built in wall shelves and display unit with electric fire plus a fully fitted kitchen , all finished in white with feature wall tiles and all appliances integrated. There is air conditioning fitted too .

There is a small internal patio at the rear of which is a fully tiled shower room and a very handy storeroom .

up the marble finished stair case there's a long hallway off which you have 3 bedrooms , 2 of which are doubles the other is a smaller double . Also on this level there is a family bathroom , which is finished in the same clean modern style , with bath , loo and vanity unit .

The last level of the house has a large room which is currently used as a dressing room but would make an ideal terrace lounge as it is from here you have access to not just one but two terraces, the one to the front

---

has amazing views and between the both there's more than enough space to enjoy , outdoor dining and relaxation .
