Located in Sharjah.

An outstanding opportunity to lease a high-quality industrial warehouse offering a total built-up area of 10,390 sq.ft., strategically designed to accommodate a wide range of industrial, logistics, storage, distribution, light manufacturing, and commercial operations. The property features a spacious ground floor area of 6,000 sq.ft., complemented by a substantial full concrete mezzanine floor of 4,390 sq.ft., creating an efficient two-level operational layout. Unlike standard steel mezzanines, the fully reinforced concrete mezzanine provides superior load-bearing capacity, durability, and flexibility for warehousing, office fit-outs, inventory management, production activities, or additional storage requirements. Key Property Features: Total built-up area: 10,390 sq.ft. Ground floor warehouse: 6,000 sq.ft. Full concrete mezzanine: 4,390 sq.ft. Internal warehouse height: 8.5 meters Power capacity: 16 kW Well-planned layout maximizing storage and operational efficiency Suitable for warehousing, logistics, distribution, e-commerce, light manufacturing, and commercial storage Strong concrete mezzanine construction for heavy-duty use Excellent vertical storage potential Easily adaptable for office, showroom support, or operational requirements Rental Details: Annual Rent: AED 415,600 Flexible payment terms: 4 cheques Expansion Opportunity Contact us today to arrange a viewing and explore how this premium industrial facility can support your business growth and operational requirements.
