### Leírás:

Renovated by artisans, this beautiful, stylish 4-bedroomed country house with its traditional slate roof is perfectly situated in a quiet village between Ruffec and the renowned village of Verteuil-sur-Charente. For those with restricted mobility, the property benefits from a bedroom and bathroom on the ground floor, and upstairs a further three bedrooms and a shower room to complete to your own taste with water supply and evacuation already installed.

Enjoy the cosy winter evenings in the lounge with the wood pellet burner, and simply descend to the cellar to find that perfect wine to accompany your evening meal.

With the barn and outbuildings, there are plenty of projects that can be created. The hangar has space to park 2 vehicles, giving shelter from the Charentais sunshine and the cold winter days. The four a pain requires a little restoration work to enjoy traditional home-made bread and pizzas.
