The spacious master suite includes an elegant dressing area and a private en-suite bathroom. Four additional bedrooms, fitted wardrobes, are served by a stylish family bathroom.

The south-facing living and dining room is filled with natural light, with patio doors opening directly onto the garden perfect for indoor-outdoor living. The modern kitchen that flows onto a rear terrace that enjoys picturesque countryside views. A large portion of the land is currently leased to a local farmer who is planting avocado trees, generating a modest income for the owner.

The property benefits from double glazing with mosquito nets, full air conditioning throughout, solar panels for hot water, water from the borehole but possibility to connect with mains. Garage used as storage room. This is a truly stunning home offering privacy, space, and tranquility, while remaining close to all amenities and within easy reach of the Nobel International School.
