Leírás:

Beautiful luxury villas with private pool located on the stunning Santa Rosalia Life resort. Located in the province of Murcia close to the beautiful beaches of the Mar Menor. With a beautifully landscaped lake of 16,000m², this is the largest landscaped lake in Europe. Surrounded by beautiful white sand beaches and lovely gardens. The resort also has plenty of sports facilities, several playgrounds, an adventure mini-golf, several bars and a nice restaurant overlooking the lake. The gated resort is only accessible to residents of the resort. The very nice luxury homes are finished to perfection and are very spacious, there are 3 bedrooms, 3 bathrooms, a nice living room and open kitchen and also a complete underbuild. This can be set up as a hobby room or several rooms can be created in it, as the underbuild is over 100m². Moreover, each house has its own swimming pool and a nice terrace as well as a solarium. So there is no lack of space. Many extras are also included in the price, such as all A-brand electrical appliances, air conditioning, all lighting inside and outside and a fully planted and finished garden.
