Outstanding Development Potential

The property's location places it in one of the most promising investment zones in Northern Bulgaria. The future bridge connection between Bulgaria and Romania is expected to significantly increase traffic flow, trade, logistics activities, and business opportunities in the region.

The parcel is suitable for:

Logistics and distribution center

Warehouses and industrial facilities

Retail park or shopping center

Showrooms and commercial buildings

Hotel or roadside service complex

Fuel station and truck service area

Manufacturing facility

Business park or mixed-use commercial development

Strategic Location

Situated on a major transport corridor, the property offers excellent connectivity to:

Bulgaria and Romania

International trade routes

Major regional cities

Future cross-border infrastructure developments

The combination of large size, commercial zoning, road frontage, and proximity to a major infrastructure project makes this property an exceptional long-term investment.

Why Invest Here?

Prime commercial zoning

26,183 sq. m. of development land

110 meters road frontage

Level terrain

Easy access and visibility

Close to the future Danube Bridge

Suitable for multiple business sectors

Excellent potential for capital appreciation

This is a rare opportunity to secure a strategic commercial property in an area expected to become one of the key business and logistics hubs between Bulgaria and Romania.
