Set in a tranquil country setting, on the outskirts of the village. This beautifully maintained property of uniquely traditional design is something we are delighted to offer onto the market. Comprising four double bedrooms, three bathrooms, fully equipped open-plan kitchen and spacious separate utility area. All of the bedrooms lead off from a windowed hallway, leaving the living recreational areas to the rear of the property enjoying the south facing porch, garden and pool areas. There's ample parking from the entrance of the plot, which will easily accommodate camper vans etc. A further addition to this amazing country property is a large workshop, which could easily be utilised for a variety of purposes, including further annexed living accommodation. Early viewing is highly recommended to fully appreciate the great features of this wonderful detached property. Daya Nueva strikes a perfect balance between traditional Spanish charm and modern conveniences. You will find local amenities nearby, with towns like Almoradi and the extensive orange and lemon groves surrounding the village. The area hosts numerous festivals throughout the year, enhancing its appeal. Furthermore, with Alicante Airport only 30 minutes away and the beautiful beaches of Guardamar Del Segura within a short drive, a wonderful Spanish lifestyle awaits you in Daya Nueva.
