Located in Marrakech.

Located in the heart of the Sidi Ghanem industrial zone, this office building has been fully renovated and is in excellent, like-new condition. It consists of three floors of approximately 280 m² each, with three separate land titles, offering the possibility of selling each floor independently.

The ground floor features flexible office spaces, a reception area, a terrace, and a landscaped patio. The first floor includes a large open-plan workspace, an executive office, a video conference room, and terraces. The second floor is currently fitted out as a 245 m² apartment but can easily be converted into office space.

A 245 m² rooftop terrace with development potential and a 300 m² private parking area complete the property.

The building is fully air-conditioned, equipped with two independent fiber-optic internet connections, integrated IT infrastructure, and is sold fully furnished and equipped. No renovation work is required, and the offices are ready for immediate use.
