Leírás:

Land plot of 291 m² located in Sítio da Adega, in Campanário, classified as urbanizable.

The property comes with an approved architectural project for a 3-bedroom (T3) house, offered by the owner (specialty projects are not included).

The plot is flat, which significantly facilitates construction and helps reduce building costs. The ground is solid, with a rocky base, making it ideal for a straightforward and cost-efficient construction.

Located in a quiet and peaceful area with excellent accessibility, just 3 to 4 minutes by car from the expressway.

An excellent opportunity for building your own home or as an investment, in a peaceful and well-connected location. - REF: VSM10
