This spacious plot of almost 1.9 hectares is located in the peaceful area of La Solana, just a few minutes from the historic town of Villena. Surrounded by nature while still enjoying easy access to the town, this property offers an excellent opportunity for those seeking space, tranquility, and long-term value.

The land is well suited for agricultural use and stands out thanks to its generous size and attractive rural setting. In addition, the area is considered to have future development potential, making it an interesting option for forward-thinking investors.

A further advantage is the possibility of acquiring the adjoining land, allowing the entire cadastral parcel to be purchased as one continuous property.

Whether as a long-term investment, for agricultural purposes, or as a valuable piece of land in the province of Alicante, this property combines natural surroundings, generous space, and promising future prospects
