Leírás:

This fantastic 45 m² 1 bedroom house combines old design with a modern and functional interior design. The property has been completely rebuilt and refurbished with first-class materials and impeccable taste, ensuring maximum space optimization.

The house is sold fully furnished.

Fully equipped kitchen with modern appliances.

Equipped with air conditioning for maximum comfort all year round.

Smart planning with built-in wardrobes and multiple custom-made storage cabinets.

Located in the most valued and sought-after historic area, this house allows you to live just a few steps from the bank of the Tagus River. An exclusive location where you can do your whole day on foot, with local shops, terraces and the riverside area right at the door.

On the doorstep of the best restaurants for fresh fish, seafood.

Feel the energy of the local people and the richness of the famous Green Cap and Salinas Festivals.

Picturesque streets full of history and an unforgettable sunset over the estuary.

A quiet and safe haven just 20 minutes from Lisbon.

Excellent opportunity for own housing, weekend getaway or high profitability investment in an area in constant appreciation.

Book your visit now and come and see your new home!
