Tucked away in a traditional Algarve village, this charming 2 bedroom house combines authentic character with the comfort and convenience of a complete renovation, creating a wonderful opportunity at hand just minutes from some of the Algarve's most beautiful beaches.

The main house offers two comfortable bedrooms and has been carefully renovated throughout, ready for the new owners to move in directly and enjoy. One of the outstanding features of the property is the separate annex, which offers fantastic flexibility. It can be used to accommodate family and friends, create a private suite for guests, or generate additional income through vacations or long-term rentals.

Outdoor space is particularly rare for traditional village properties, making the two separate terraced houses a real highlight of this house. One of them offers a charming area for socializing outdoors and entertaining guests, while the upper terrace offers stunning views, creating the perfect place to relax, enjoy a drink in the evening, or simply take in the surrounding Algarve countryside.

The location of the property is another big plus. Just 5 minutes from Salema Beach and Boca do Rio Beach, you can enjoy easy access to the coast while benefiting from the authentic atmosphere and charm of village life.

Whether you are looking for a low-maintenance holiday home, a permanent residence or a property with the potential to generate additional rental income, this beautifully renovated Algarve home offers a rare combination of character, flexibility, outdoor space and location.

A real ready-to-hand opportunity with excellent potential in the Western Algarve ready to take advantage of from day one. - REF: M/06310
