Mediterranean Villa for Sale in Moraira with Private Pool

This well-maintained villa in Moraira on the northern Costa Blanca combines comfortable living with generous outdoor space and a private swimming pool. The property offers three bedrooms, three bathrooms and a 322 m² plot, and is ready to enjoy immediately. Moraira town centre and the beach are approximately five minutes away by car.

The 131 m² villa is arranged over two levels and offers a practical layout suited to both permanent living and relaxed stays on the Costa Blanca. The main living area features an open-plan kitchen, a welcoming living room with fireplace and direct access to the garden.

On the lower level, a separate bedroom with its own bathroom provides additional privacy for guests or family members. A utility room with extra storage completes this floor.

Comfortable Living with a Flexible Layout

The main living area is located on the upper level and connects naturally with the outdoor spaces. The open-plan kitchen and living room create a comfortable setting for everyday life, while the fireplace adds warmth and character during the cooler months.

This level also includes two spacious bedrooms and two bathrooms. The principal bedroom is equipped with air conditioning and a ceiling fan, offering additional comfort during the warmer months.

On the lower floor, the additional double bedroom benefits from its own bathroom with WC and walk-in shower. This separate arrangement is particularly practical for guests or family members who appreciate their own space. A dedicated utility room with additional storage adds further functionality.

Private Swimming Pool and Mediterranean Outdoor Space

The centrepiece of the outdoor area is the private 6 x 3 metre swimming pool. It is equipped with its own pump and filtration system, as well as underwater lighting that creates an inviting atmosphere in the evening.

The private garden provides space to enjoy the Mediterranean climate and spend time outdoors with family and friends. With direct access from the living room to the rear garden, indoor and outdoor living flow naturally together.

Practical Features for Year-Round Living

Central heating throughout the villa makes the property suitable for use during the cooler months as well as throughout summer. Air conditioning, double glazing and built-in wardrobes provide additional comfort and practicality.

There is ample parking directly in front of the villa, with access reserved for residents, adding to the convenience of the property.

Built in 1989, the villa has a built area of 131 m² and stands on a 322 m² plot. It is sold furnished, excluding personal belongings, allowing the new owner to settle into life on the Costa Blanca with ease.
