Leírás:

Location: Krapinsko-zagorska županija, Klanjec, Klanjec.

A rare and extremely strong investment opportunity is for sale in a quiet, green, and fairytale-like environment of the Croatian Zagorje region. It is a small family hotel/guesthouse with many years of successful operation, approximately 5 hectares of land in total, and a separate detached family house.

An important point for serious investors:

Due to the size of the land, the quiet location, natural surroundings, and existing infrastructure, the property has direct potential for conversion into a retirement and nursing home, with a relatively clear and logical upgrade of the existing concept.

HOTEL / GUESTHOUSE

- 9 accommodation units
- total of 22 beds
- restaurant with a recognizable offer of traditional Zagorje specialties
- café
- wellness center (sauna and jacuzzi)
- indoor pool

The property is decorated in an authentic, handmade Zagorje rustic style, fully aligned with the business concept and location. It is a recognizable place with an established reputation.

LAND AND OUTDOOR FACILITIES – approx. 5 HECTARES

- outdoor “relax” zone
- swimming pool with sunbathing area
- large green area suitable for walking paths and additional facilities
- children’s playground
- small zoo
- old watermill
- complete peace, privacy, and natural surroundings

This amount of land combined with existing facilities provides rare flexibility for development for tourism, health tourism, retirement home, retreat center, or combined models.

ADDITIONAL INCLUDED

- separate detached family house, ideal for:
- private residence for the owner
- staff accommodation
- additional apartments or administration

WHY THIS IS A GOOD INVESTMENT

- established and long-term business operation (35 years of operation)
- already built brand and returning guests
- large land potential (approx. 5 ha)
- possibility of immediate continuation of business or strategic conversion
- realistic option for a retirement home
