Leírás:

Set of 2 interconnected bank stores totaling 145 m2 located in Rossio to the South of the Tagus, Abrantes.

Investment opportunity for two fractions intended for commerce, simultaneously interconnected with each other, located on the ground floor of a building in horizontal property, on National Road 118, Rossio to the South of the Tagus, Abrantes.

The property benefits from good accessibility, exposure to the public road and parking in the surroundings, being in an area of easy access, with some lack of commerce and services, and privileged connection to the main road axes in the region.

The two stores have a total gross private area of approximately 145 m² (Fraction "A" with 57.75 m² and Fraction "B" with 87.50 m²), allowing the use of the space as a single commercial unit of relevant size.

Main features:

Joint sale of two interconnected stores;

Allocation: Trade;

Approximate total area: 145 m²;

Ground floor;

Sanitary facilities

Good visibility and access;

Vacant property available for immediate occupation.
