Spacious Five-Bedroom Villa for Sale in Parcent

Set on a fully enclosed, level plot close to the centre of Parcent, this beautifully presented 262 m² villa offers generous accommodation, practical living spaces and attractive open views towards the village and Church of La Purísima Concepción.

Arranged over two floors, the property features five double bedrooms, three modernised bathrooms, two separate lounge areas and a spacious open-plan living and dining room overlooking the gardens. The master bedroom benefits from a contemporary en-suite bathroom, while the additional upper lounge has access to a private terrace with open views.

The level garden provides easy access and includes a large storage/laundry room and an additional shed. A double garage/carport provides useful covered parking.

The villa is equipped with full gas central heating, hot and cold air conditioning, double-glazed aluminium windows with mosquito nets, security lighting and an alarm system.

The centre of Parcent is approximately a 15-minute walk or two-minute drive away, with restaurants, tapas bars, shops and a local bodega within the village. The surrounding Vall de Pop countryside is ideal for walking and cycling, while the coast and larger towns are within easy driving distance.

An excellent choice for those looking for a substantial family home, holiday property or permanent

residence in a traditional inland Costa Blanca village.
