About the Area

The village is ideally located halfway between Lefkada Town and Vassiliki village and ferries depart from here to the neighbouring island of Kefalonia. The 800 people who live in Nidri permanently have developed its small port to one of the busiest harbours on Lefkada with ferries and cruises to Meganisi, Ithaca and Kefalonia. It's also a top-notch destination for private yachts in the Ionian Sea and the assembly point for the annual Ionian Regatta, the biggest yachting event in the Mediterranean.

For families, the village has a lot of facilities including taverns and restaurants to enjoy a tasteful Greek or international meal. No matter what your budget is, convenience for you and your family is the number one priority for the locals in Nidri. The younger visitors will be equally satisfied since the village is everything but quiet! On the main street behind the bay there are various cafes, bars and clubs to spend unforgettable nights on the island.

There is no need to mention the beach and the sea in Nidri. On the entire island of Lefkada the beaches are of unique beauty and the waters are so crystal clear that you think you are in a tropical paradise.

Lefkada is a Greek island in the Ionian Sea, connected to the mainland by a causeway. West coast beaches like Porto Katsiki and Egremni feature sheer cliffs and turquoise waters. The east coast is known for its traditional villages, including the seaside resort of Nydri. In the north, Lefkada town is the island's gateway and capital. Vassiliki, in the south, attracts windsurfers.

Lefkada is one of the most breathtaking Greek islands and it is located in the heart of the Ionian sea, connected with the mainland by a small bridge.
