Leírás:

Apart-house on Vir island only 40 meters from the beach!

Total area is 570 sq.m. Land plot is 1096 sq.m.

Property was built in 2004 and renovated in 2022.

The detached house consists of three floors where there are two residential units on each floor. Six residential units in total.

Each floor has one one-bedroom apartment and one two-bedroom apartment. Each apartment has a terrace and a view of the sea.

All apartments are equipped, heating and cooling is via air conditioning. The one-bedroom apartments have central floor heating, and they all have a chimney and the possibility of heating with solid fuels.

Water heating is solved by means of solar panels. A year ago, a new styrofoam facade was made.

The carpentry is in PVC material with blinds and mosquito nets. Parking for two vehicles is provided in the garden itself, and the garage has 4 parking spaces.

The house itself is located 40 meters from the sea and 1.5 km from the city center.
