Leírás:

Modern 9-bedroom property of 530 m² with rooftop terrace facing Sheraton Porto.

Beautiful contemporary 5-storey building, 9 bedrooms, 6 bathrooms, 2 kitchens + 1 kitchenette and a 30 m² rooftop terrace, located on a quiet, private cul-de-sac directly opposite the Sheraton Hotel Porto.

Renovated in 2025, this residential building with generous volumes is currently composed of two independent residential units, offering rare flexibility on the market. It is ideally suited for a high-end family residence, conversion into 10 T1 apartments, alternative use (luxury hospitality, company headquarters, etc.) or a multi-generational solution, allowing parents, children or other family members to share the same building with complete independence.

It benefits from an ideal location just steps away from the prestigious Avenida da Boavista, in one of Porto's most privileged and well-served areas. Built on a 267 m² plot, the building is surrounded by a private courtyard with potential for various arrangements (ideal for creating a landscaped garden). The exterior spaces also include two outbuildings, two closed garages, as well as additional indoor parking spaces.

Its triple solar exposure (southwest, southeast, northeast) allows it to benefit from excellent natural light throughout the day. At the rear, the windows open onto a majestic century-old oak tree, giving the place a unique atmosphere of tranquility and connection to nature. The top floor of the building offers a terrace with unobstructed views over the calm and pleasant neighbourhood.
