3 bedroom villa of the OCCUPIED bank inserted in a Condominium in Quinta das Lagoas, in Ferreira, Albufeira

This is fraction "E" corresponding to a 3 bedroom townhouse inserted in a closed condominium of Quinta das Lagoas, located in Ferreira, one of the most sought-after residential areas in the municipality of Albufeira.

The surroundings are characterized by the predominance of permanent housing, benefiting from proximity to shops, services, support equipment and good access to the center of Albufeira, the EN125 and Via do Infante.

The house is developed over three floors and includes a garage in the basement, social areas on the ground floor and a private area on the first floor.

Inserted in a private condominium of villas, it is a suitable solution for both permanent residence and investment in the Algarve residential market.

NOTES: The property is occupied, so it is not possible to make visits, being marketed in this condition. We also have for sale in the same condominium fraction L which is the last semi-detached house located north of the condominium that is also occupied for sale for 415000 Euros.
